NOTE:

- Updated 28 Dec 2019

The deployment of teachers is as according to the Private Education regulations:

The minimum qualifications and experience for a teacher deployed are as follows:

- (a) the person has less than 5 years of working experience in the field to which the course, module or subject relates, and qualifications in that field which are at least a level higher than the level of the course;
- (b) the person has at least 5 years of working experience in the field to which the course, module or subject relates, and qualifications in that field which are at least equivalent to the level of the course; or
- (c) the person has at least 5 years of working experience in the field to which the course, module or subject relates, and qualifications in a different field which are at least one level higher than the level of the course,

and he has at least a pass at General Certificate in Education 'Ordinary' level or its equivalent in the language medium of the course, module or subject he is to be deployed to teach.
